Separate permits are required for plumbing, electrical and mechanical. This permit becomes null and void if construction authorized is not commenced within 6 months, or if construction or work is suspended or aband period of 6 months at any time after work is commenced. I hereby certify that I have read and examined this and know the same to be true and correct. All provisions of laws and ordinances governing this type of work complied with whether specified herein or not. The granting of a permit does not presume to give authority to cancel the provisions of any state or local law regulating construction or the performance of construction.	loned for a sapplication will be
